RUN FOR THE ROSE T-SHIRT DESIGN CONTEST

The Dr. Marnie Rose Foundation is looking for K through 5th graders to participate in our annual t-shirt design contest.

Winning design will be on all infant and toddler shirts for the 16th Annual Run for the Rose on Sunday, April 8, and featured on our website throughout the year. The winner will be introduced at the Run for the Rose post-race party in NRG Arena. Runner-up artwork will be on display at the post-race party, as well. Contest participants receive one (1) complimentary entry to the Run, if interested.

An additional award will be given to the elementary school that yields the most contest participants.

Artwork should symbolize the following: running, children, roses and hope. Designs will be judged on content and creativity.

Scan and submit a digital image in PDF or JPEG format in high resolution of 300 dpi or greater via e-mail to artcontest@runfortherose.com by Friday, March 9. Include student name, age, grade, school name, and parent/guardian/teacher name and e-mail. There is a possibility that the Dr. Marnie Rose Foundation will need to receive the original art depending on the quality of the digital image.

Prior winning designs can be viewed at:
